

Owens Brockway Glass Container Inc. Request for Information (RFI)

Project Title: Concept Engineering

Date: December 17th, 2024

Introduction:

Owens Brockway Glass Container Inc. is seeking information from qualified companies interested in providing engineering services for the concept design (FEL1 and FEL2) related to the Zanesville B Major project. Additionally, FEL3 and detailed design will be included with the request to encompass the full scope of the project. This RFI is intended to gather information on potential vendors' capabilities, experience, and interest in participating in a Request for Proposal (RFP) process.

Zanesville B Major Project Overview:

This project involves the engineering, design, and construction assistance for the Zanesville B Major. The design will incorporate numerous aspects of the full system working with other vendors to incorporate equipment. This will include but not limited to:

- Process Flowsheets
- P&ID's
- Site Plan
- General Arrangement (3D)
- Detailed Drawings
- Schematics
- Cable Schedules
- Loop Drawings
- Piping Line List
- Calculations
- Site Survey Reports
- Technical Narratives

Scope of Work:

The scope of work for this project includes, but is not limited to:

- Existing Conditions, Concept Design, and Detailed Engineering
 - Refractory – As Required
 - Civil/Structural
 - Mechanical Systems
 - Electrical Systems
 - Process Control Systems – As Required
- Compliance with all relevant safety and environmental regulations
